**The Drywall and Interior Systems Contractors Association, Inc. of New Jersey
Cordially Invites You to Submit a Project that Exemplifies**

EXCELLENCE IN CONSTRUCTION 2017

Have you recently completed a project you are particularly proud of? Something unique or difficult; beautiful or ordinary; or all of the above?

Showcase your project at this year's Excellence in Construction Awards. Past winners have received a unique marketing boost from the professional videos that capture the technical aspects of the project. The videos are posted on the DISCA and AWCI websites, and advertisements congratulating the winners are placed in full page ads in NJ Business and AWCI Dimensions magazine. This year, winners will be submitted to the Star Ledger's business section too.

There are no fees or costs to submit an entry, and the marketing upside is significant. So don't delay- submit one or more entries today!

To be eligible, the project must have been completed within the past 2 years.
